I, the coach stipulated above, fully understand the risks associated with this player participating in the level indicated above (*Rugby Activities*). I fully understand that the Rugby Activities involve risks and dangers of serious bodily injury, including permanent bodily injuries. These risks may be caused by the player's own actions, or inactions, the actions or inactions of others participating in the Rugby Activities.

As a qualified World Rugby Level 2 coach, I have assessed the player above, in terms of his/her conditioning, and physical and technical ability to play in the on-field position stipulated above.

Based on this assessment, the player is suitably trained and skilled for their position, and has the conditioning levels, physical ability and technical ability to safely participate at the Level(s) applied for, and in the position stipulated.

In my professional opinion as a coach, the player is technically at no more risk of serious or catastrophic concussion, head, and neck or spine injury than any other eligible player at this/these level(s).
